

**Have you considered how to ship your goods to Davos?
Take a few minutes and fill in this form in order to save time and money.**

You can arrange to have your goods transported from your premises to your show location in Davos. After the event we collect your shipment, pack it and return it safely. We even have storage facilities in Davos available.

Important:

Each shipment must be accompanied by customs documents for clearance in Switzerland. We will take care of the clearance for your shipment. Please contact us well in advance.

- We need your shipping service to and from Davos, please contact us.
- We have no need for shipping

You know already how much pieces you need to ship? Please fill in the form below:
